Dear Parents

Re: Year 10 Mock Examinations

I am writing to inform you of the arrangements for the forthcoming Year 10 Mock Examinations that are scheduled to take place from Tuesday 2nd May to Friday 5th May 2017.

I have attached a timetable that provides details of the mock examinations for each subject, including the dates of each examination and the corresponding time allowance. Seat numbers and venues for each examination will be given to students when they return after the Easter break, and these details will also be on display in the atrium the day before each examination.

The mock examinations will focus on the topics and units covered so far in each subject. Class teachers will ensure that students are aware of the materials they will need to revise ahead of the examinations, and these details will be clarified when students return after the Easter break.

Students who study GCSE Art & Design will not take part in a mock examination during this week as a mock examination is scheduled to take place on Monday 26th June 2017.

I would like to take this opportunity to wish all Year 10 students every success in the forthcoming mock examinations.

If you would like to discuss the content of this letter, please contact me.

Thank you for your continuing support.

Yours sincerely,

Mr A. Chattaway
Vice Principal (Curriculum and Quality Assurance)
